If you or your family have been affected by the
COVID-19 pandemic, we are here to help.

Have you suffered any of the following?

- Personal or financial losses
- Emotional trauma or distress
- Physical or Mental Health issues
- Physical abuse
- Increased substance or alcohol use
- Unemployment
- Legal issues
- Heightened anger or frustration
- Social withdrawal
- Or just feel the need for support and local assistance?

Texans Recovering Together have trained
professionals available to assist you in the
recovery process. Contact us today!

OUR GOAL

The purpose of the Texans Recovering
Together program is to assist those who have
been affected by COVID-19 through
education, outreach, resiliency and recovery

Our FREE services are available at:
